

Application Area

Heavy Duty

Product features

Pasta Lavamani

Is recommended for use against the extra stubborn dirt that can occur in the industrial, automotive and DIY sectors. Intensely cleanses hands thanks to its formulation containing natural vegetable-based soaps and surfactants from renewable sources, combined with environmentally friendly and inert vegetable-based microspheres. The product is enriched with Aloe Vera extract and leaves hands soft and delicately scented. Dermatologically tested.

Product Name

PASTA LAVAMANI

MODE OF USE

Apply the product to your dry hands and rub them together, gradually adding water until the dirt is dissolved. Rinse well and dry.
