

## Application Area

### Stubborn Dirt

## Product features

# Blackfluide®

Is a concentrated, fluid, extra strong hand cleansing cream for use in the industrial, automotive and DIY sectors. It is formulated using all-natural abrasives and activated charcoal obtained from coconut, which is known for its detoxifying and whitening properties. It leaves the skin feeling soft, clean and pleasantly scented. Dermatologically tested for skin compatibility.

## Product Name

# BLACKFLUIDE®
