>> Advantages

- ✓ Automatic buckles.
- ✓ Made from top grade corrosion resistant steel, these buckles provide a comfortable and snug fit.
- ✓ Elastic loops: specially designed to retain the excess strap while adjustment.
- ✓ Triangle ring for lanyards keepers: specially designed keepers on both sides for safely attaching the free connector end of twin legged lanyards PN351. (be careful these lanyards keepers must not be used as an attachment point for the fall protection system).
- ✓ Thigh straps: the distinctively placed fully padded straps with automatic buckles for easy adjustment.
- ✓ The knitted mesh net used in the pads gives better shock absorption and maintains proper air circulation.

>> Conformity

This product has been tested according to the following European standard:

- **EN 361: 2002.** Personal Protective Equipment against falls from a height; full body harnesses.

It complies with European **Regulation (EU) 2016/425** on Personal Protective Equipment (PPE). **Category III.**

EU type examination certificate (**module B**) issued by **SATRA (Ireland)**. Notified body **n°2777**.

The PPE is subject to the conformity assessment procedure based on quality assurance of the production process (**Module D**) set out in Annex VIII (Category III) under surveillance of **SGS**. Notified body **n°0120**.
