Client Testimonials

Allison Frontera

"These tiles are absolutely gorgeous! We used them as table numbers at our wedding and they were perfect. Amazing quality, and I love that they came with their own mini wooden stands. The seller was super helpful in all communication and had great attention to detail. We originally thought we would donate these after the wedding was over, but we are definitely keeping them for years to come. Truly beautiful."

Steph & Simon

"We wanted to say a massive thank you for our gorgeous tiles. Our guests, both Portuguese and from abroad absolutely adored them and the customer service we had from you and your team was exemplary. We gave our wedding planner your company's details as they help couples pick wedding favours and we thought they would definitely want to work with you in the future."

Charlotte Van

"Do you want beautiful tiles at your wedding? Then look no further. We had the tiles as a gift for the guests and they were so happy with it! Ordering was very easy and fast, super good communication. The tiles were packed with care and delivered quickly. Recommended!"

Mona & Olivier

"We could not be happier with the wedding favour tiles we received from the team at Tile Passion. They are so beautifully painted, very well made, and we love the personalized stamp on the back. They made for such perfect wedding favours and all our guests commented on how much they loved them. The team were very responsive through email and when we received the tiles, they were even more beautiful than we expected. Thank you so much!"

Steven & Erica

"We would highly recommend going through Isabel at Tile Passion if you are wanting custom and authentic Portuguese tiles. My husband and I got married in Lagos Portugal in September 2022 and we wanted to include Portuguese tiles as wedding favours for our guests. Isabel answered my email right away and recommended tiles that could be immediately shipped so they would be delivered on time for our wedding. She even shipped them to the villa in Portugal that we were getting married at as we were coming from Canada. They were a hit with our guests and we were so happy about the quality of the tiles and the designs were beautiful! Thanks so much for your help. We loved the tiles and they worked so nicely with our decor!"
