

# nedis Door Window Sensor | ZBSD10WT

The advertisement features a background image of a modern living room with a light-colored sofa, a wooden coffee table, and a large potted plant. In the foreground, two white, oval-shaped Nedis Zigbee Door/Window Sensors are shown. The sensor on the left is smaller and is shown in its open position, while the sensor on the right is larger and is shown in its closed position. The Nedis logo is in the top left corner. Below it, the text 'Zigbee Door/Window Sensor' is written in a large, bold font, followed by 'works with Nedis SmartLife\*' in a smaller font. A blue hexagonal icon with a white house and a Wi-Fi symbol is shown, with the text 'SmartLife' below it. A dotted line connects this icon to a 'ZigBee Gateway\*' icon. At the bottom, there are three circular icons: a red hexagon with a white 'Z', a grey circle with a white door icon, and a grey circle with a white calendar icon. Below these icons is the text 'Nedis.com'.
